Dear uncle Theodore,

I will let you know definitely about Uncle Paul's body, the first of next week.

Well I am still at the Club, but I have a good job coming and when I get it I am going to stick and try to make something out of myself.

I think that I can do better here in Chicago than in New York.

I hope you are well and enjoying yourself.

Well I will close now with love to all.

Dear Uncle Theodore.

Aunt Mame
was in Chicago last week,
and uncle Paul's body was
buried last Saturday, but am
sorry to say I do not know
anything about the check.

How to Aunt Jug?

Well I am working every
day, but I sometimes get
bored and discouraged &
feel like giving up everything.

Well I will close now
with my best wishes & love to all,

I am your Nephew

My dear Uncle,-

Received your letter some time ago, and hope you will forgive me for not answering sooner.

Was out to see Uncle Paul's grave last week, and found it to be covered with geraniums and wild flowers.

Uncle Paul hasn't any tombstone over his grave.

I am going to the Chicago Business College, and I am twenty-two years old to day.

Well I will close now with love to all—

My Dear Uncle.

Received your
Christmas present, and
was more than pleased.

I bought myself some
socks and a hat, so you
see I used it to a good
advantage. Am still working
hard and going to night school
and trying to advance
myself so I will not
have to be always working
at this business.

Well I will close
now thanking you again
for your presents and
wishing you ~~every~~ all
